We ShopArt

Marlborough
Open Studios
2008

Presented by We Love Marlborough, Marlborough Open Studios, Chamber of Commerce and Jo Del Mar PR

Begins 5 July and open the rest of the month free entry www.welovemarlborough.co.uk

Follow the map and trail to uncover Marlborough's art.

Marlborough shop fronts and businesses are turned into an art gallery during July. Come for a shop in the thriving town centre and take a browse at individual pieces, collections, art galleries, with photography, crafts, paintings and more. Every artwork is for sale.

Now you've got the bug, pick up an Open Studios brochure and visit the artists in their studios, every weekend in July.
